Description

The jacket is made of a high-quality TECNO fabric consisting of 96% polyester and 4% elastane. This combination of materials provides excellent flexibility and strength, ensuring that the garment is comfortable and durable.

With its two-button front fastening and well-defined front darts, this blazer offers a smart, professional look that is perfect for work environments where personal presentation is essential.

The garment features two side welt pockets with a flap and flap that are ideal for storing small personal items or work tools. There is also a welt pocket on the chest for added style and functionality.

The jacket features a mock slit sleeve hem, which adds a touch of sophistication to the design. It also features a centre back seam and a back slit for comfort and mobility.

It is available in two classic colours, black and navy, allowing professionals to choose the shade that best suits their style and preferences.
