Description

Dress little patients in comfort and joy with our Unisex Children's Patient Set, specially designed for hospital and clinic environments. These adorable pyjamas consist of a blouse with two patch pockets and button fastening for quick and easy dressing, and a pair of trousers with a tie fastening, ensuring a comfortable and secure fit.

Made of high quality shirt poplin, consisting of 65% polyester and 35% cotton, in a lovely light blue colour, this set not only guarantees durability, but also softness and breathability, providing the comfort necessary for the well-being of little patients.

This set is the perfect choice for healthcare professionals, such as doctors and nurses, who work with children in hospital settings and paediatric clinics. It offers a friendly and welcoming touch that helps to create a positive environment for children in their medical care.

Opt for quality and warmth in children's patient clothing - order today and give children a more pleasant experience during their hospital stay!
