Description

Comfort and functionality in the Unisex White Twill Button Down Set, designed for healthcare professionals looking for the perfect combination of style and comfort in their work attire. This set consists of a short sleeved jacket with a round neck, button fastening for quick fastening, a left chest pocket and two front pockets, providing convenient storage for your essential tools. The complementary trousers feature a half-elasticated back waistband, zip and button for a secure and comfortable fit.

Made from durable white twill, this set offers durability and ease of maintenance, ensuring you look professional throughout your working day. Ideal for nurses, doctors and other healthcare professionals in hospitals, clinics, medical centres and more.

In addition to white, it is also available in other colours (reference 844000), allowing you to customise your uniform to suit your preferences. Elevate your style and comfort at work with this versatile outfit - order today and experience the quality you need in your work environment!

Available sizes

XS S L
