Description

Discover the comfort and practicality of the Unisex Adult Patient Set, designed with the comfort of those in the healthcare process in mind. These unisex pyjamas consist of a blouse with three patch pockets and button fastening, together with a pair of trousers that fasten with tape for a custom fit.

Made of high-quality shirt poplin, consisting of 65% polyester and 35% cotton, this light-blue set provides a soft and pleasant feel for the patient. Its practical and functional design makes it an ideal choice for use in hospitals and clinics.

It offers the peace of mind of a garment designed with comfort in mind during the care process. In addition, the light blue tone adds a touch of serenity to the hospital environment. Give your patients the attention and comfort they deserve with this Unisex Adult Patient Set - order today and enhance your patients' experience in the medical environment!
