Description

This polo shirt is made from high quality INTERLOCK 100%PES fabric, which is not only strong and durable, but also easy to maintain. Durability is essential in the hospitality industry, where garments are often subjected to constant wear and frequent washing.

Short sleeves offer comfort and allow for greater mobility, which is essential for professionals who spend long hours serving customers and maintaining a high level of service.

The side slits not only add a touch of style, but also provide greater comfort and ease of movement. This is especially important for those who are constantly on the move in the hospitality environment.

The versatile design of the polo shirt makes it suitable for a wide range of hospitality roles. Whether you work in a restaurant, bar or hotel, this polo shirt will help you maintain a professional image without sacrificing comfort.

Model available for women ref. 850002.
