Description

This women's polo shirt is made from premium 100% polyester INTERLOCK fabric, which offers durability and resistance to the demands of the hospitality environment. This fabric is easy to maintain and stands up to the rigours of everyday work.

The short sleeves not only provide a cool feeling in warm environments, but also allow freedom of movement essential for active hospitality work.

The side slits not only add a touch of style, but also increase comfort and facilitate mobility. In the busy hospitality environment, this is invaluable for maintaining a high level of service.

The versatile design of this polo shirt makes it suitable for a variety of hospitality roles, from serving in elegant restaurants to working in upmarket bars and hotels.

Model available for men ref. 850001.
