Description

Discover the Bellver Men's Polo Shirt: a garment impeccably designed for the modern man. Its 85% combed cotton and 5% viscose construction makes the fabric stronger, softer and more resistant to fraying. With ribbed collar and cuffs, and a reinforced collar seam taping, it offers a perfect combination of style and durability. Its reinforced button placket and long sleeves ensure a secure and comfortable fit in any situation. It also features a colour-matched 3-button placket and a straight hem with side slits for an extra touch of elegance. The side seams add strength and the spare inner button is a clever feature. Ideal for professionals in industry, transport and commerce, the Bellver Men's Polo is the perfect choice for those looking for quality and style in every detail.
