Description

Discover the Olvera Men's Polo Shirt made of Pique fabric 85% CO/ 15% VI - 210 gr/m² for colour 166 GREY MIXED and 100% CO PEINED RINGSPUN - 210 gr/m² for the other colours. High quality, it is not only strong and durable, but also easy to maintain. Durability is essential in the hospitality industry, where garments are often subjected to constant wear and frequent washing.

Short sleeves offer comfort and allow for greater mobility, essential for professionals who spend long hours serving customers and maintaining a high level of service.

The side slits not only add a touch of style, but also provide greater comfort and ease of movement. This is especially important for those who are constantly on the move in the hospitality environment.

The versatile design of the polo shirt makes it suitable for a wide range of hospitality positions. Whether you work in a restaurant, bar or hotel, this polo shirt will help you maintain a professional image without compromising on comfort.
