Description

This polo shirt features a short-sleeved design for comfort and breathability, ideal for work environments where movement is constant. In addition, the shirt collar adds a smart, professional touch to the ensemble.

The polo shirt has a slim fit that fits close to the body for a modern, polished look. The fit allows for greater freedom of movement, which is essential for hospitality professionals who are constantly on the move.

This polo shirt is made from black piqué, a tough and durable fabric that stands up to daily wear and tear in the hospitality industry. The ribbed sleeve cuffs add a touch of style and prevent the sleeves from rolling up.

Although ideal for waiters in the hotel and catering industry, this polo shirt is also suitable for employees in retail, such as shops, boutiques or hotel reception.

This black men's polo shirt is the perfect choice for creating a stylish and professional uniform in the hospitality industry. The combination of comfort, durability and stylish design makes it an excellent choice for your employees - ensure your team looks impeccable and fashionable with this quality polo shirt!
