Description

This polo shirt features a short sleeve design that provides comfort and breathability, ideal for workers who are constantly on the move. In addition, the shirt collar adds a smart, professional touch to the uniform.

The polo shirt is designed with a slim fit that adapts to the female silhouette, offering a modern and polished look. The fit allows for greater freedom of movement, which is essential for hospitality professionals who have to perform a variety of tasks during their working day.

This polo shirt is made from black piqué, a tough and durable fabric that stands up to the daily wear and tear of the hospitality industry. The ribbed sleeve cuffs add a touch of style and prevent the sleeves from rolling up.

Although ideal for waitresses in the hotel and catering industry, this polo shirt is also suitable for employees in retail, such as shops, boutiques or hotel reception.
