Description

The shirt collar is a timeless classic that adds a touch of formality and professionalism to this polo shirt. It provides a crisp, polished look that is perfect for hospitality staff.

The short sleeves offer comfort and flexibility, allowing the free and unrestricted movement that hospitality professionals need during their working day.

The slim fit of this polo shirt ensures that it fits the male figure without sacrificing comfort. It offers a modern and stylish look that meets the demands of a professional work environment.

Made from 100% polyester Coolmax pique fabric, this polo shirt is durable and easy to care for. Coolmax technology provides breathability and moisture management, keeping your staff cool and dry throughout the working day.

Woven details on the collar, back and button area add a distinctive touch of style that sets this polo shirt apart from other uniforms. These denim details give it a modern and unique look.

In addition to being ideal for waiters in bars, restaurants and cafés, this polo shirt is also suitable for professionals in clinics, spas, beauty salons and shops in general.

The men's polo shirt is the perfect choice for creating a superior quality hospitality uniform that ensures a professional image for your business.
