Description

This babi features a classic design with long sleeves, button fastening at the front and a shirt collar. The classic design ensures a polished and professional look.

The open V-neck at the front makes it easy to put on and take off the babi. This is especially useful for parents and caregivers, making dressing children quicker and easier.

The closed cuffs help keep the sleeves in place and prevent them from getting dirty. This is essential for maintaining cleanliness while children are engaged in various activities.

The pleats at the top of the back, known as the yoke, allow for greater movement and comfort for children. This is especially important when they are on the move or playing.

The babi features two front pockets, providing additional space for children to store small items or work tools for school and play activities.

This babi is available in a variety of colours and prints, including vichy plaid or stripes. This allows parents and caregivers to choose the style that best suits their child's taste.

The garment is made from quality materials that are easy to wash and iron. This is essential to keep the babi clean and presentable at all times.
