### Description

This chef's jacket is the result of an exclusive collaboration with Agatha Ruiz de la Prada, an internationally renowned designer. Bring a touch of unique style and creativity to the kitchen.

Designed to suit both men and women, the AGATHA unisex chef's jacket is a versatile choice that fits chefs and cooks alike.

The AEROSILVER back is a technical feature that ensures breathability and comfort while you work in the kitchen. Made from 100% POLYESTER MICROFIBRE. Fabric resistant to splashes of bleach diluted in water.

The stitched collar and side panels on the back and sleeves add a touch of sophistication and a personalised fit.

The pocket on the left sleeve provides additional space for your essential tools and accessories.

The left-over-right front closure is easy to fasten and unfasten, making it quick and easy to get ready to cook.

The jacket is available in two unique prints: ‘Cuore Rosa’ and ‘Mexicano’, allowing you to stand out in the kitchen while maintaining a professional appearance.
