Description

This babi has a classic design with long sleeves and a button fastening on the front. The classic design ensures a polished and professional look.

The open round neck at the front makes it easy to put on and take off the babi. This is especially useful for parents and caregivers, making dressing children quicker and easier.

The closed button cuffs help keep the sleeves in place and prevent them from getting dirty. This is essential for maintaining cleanliness while children are engaged in various activities.

The baby collar adds a charming touch to the babi design, making it perfect for special occasions and school events.

The boards at the front provide a comfortable fit and allow the babi to adapt to the child's growth.

The belt at the back helps adjust the babi for a better fit and comfort. It also adds a touch of style to the garment.

The babi features two front pockets, providing additional space for children to store small items or work tools for school and play activities.

This babi is available in a variety of colours and prints, including vichy plaid or stripes.

The garment is made from quality materials that are easy to wash and iron. This is essential to keep the babi clean and presentable at all times.
