Description

This jacket is unisex and features short sleeves, making it versatile and suitable for professionals of all genders working in the kitchen. The short sleeves provide extra comfort in hot environments.

The jacket features a crossover fastening with exposed lozenge buttons, which adds style and makes it easy to put on and take off. The buttons are visible and add a distinctive touch.

The left chest pocket is handy for carrying small tools, pens or mobile devices, making it easy to access what you need during food preparation.

The semi-fitted cut of the jacket provides a stylish and professional look without limiting freedom of movement. The back seam construction contributes to a better fit and comfort.

The jacket is made from white twill, a strong and durable fabric ideal for kitchen environments. White is a classic colour that reflects hygiene and is easy to clean.

This kitchen jacket offers the option to customise the piping on the collar, pocket, front and buttons in three different colours, allowing you to add a unique and distinctive touch of style.
