Description

This jacket is unisex and features short sleeves, making it suitable for chefs and cooks of any gender. The short sleeves allow for increased ventilation and comfort in hot kitchen environments.

The jacket features a crossover fastening with exposed lozenge buttons. This feature not only adds a touch of style, but also makes it easy to put on and take off the jacket quickly.

The left chest pocket is handy for storing small tools, pens or mobile devices, giving you quick access to what you need in the kitchen.

The semi-fitted design of the jacket provides a professional appearance without restricting movement. The back seam construction contributes to a better fit and comfort.

The jacket is made from white poplin fabric, which is lightweight and breathable, ideal for kitchen environments where comfort is essential.

This kitchen jacket is an essential basic for cooks and chefs who want performance and style in their workwear. Its unisex design and comfort make it suitable for a wide range of working environments in the food industry.
