Description

Look impeccable and comfortable in your working day with the Salazar Men's Mao Collar Jacket, a garment designed for professionals who value both functionality and design. Its semi-fitted cut, together with tailoring details such as side seams, darts and mao collar, projects a polished and contemporary image, perfect for customer service, clinics, hotels, restaurants or retail environments.

Made from twill fabric (66% polyester, 31% viscose, 3% elastane, 185 g/m²), this jacket offers excellent freedom of movement, resistance to everyday wear and a fluid drape that flatters the male silhouette. Available in two sober and versatile colours: navy and sand, it will easily match any professional uniform.

* Mao collar design for a clean, modern style
* Long sleeves ideal for thermoregulated environments
* Hidden press studs, easy to use and with a discreet finish
* Centre back seam and front darts for a flattering fit
* Tailoring seams that define the figure without restricting movement
* 2 front welt pockets, practical and elegant
* Length: 75 cm | H2 semi-fitted cut, versatile for different sizes and morphologies
