## Description

GASTROCHEF unisex polo shirt with mao collar, short sleeves, button fastening and pocket on left sleeve. Semi-fitted model.

Made from INTERLOCK fabric combining 92% polyester (PES) with 8% elastane (EA). This fabric not only offers a luxurious feel against your skin, but also provides the stretch and durability needed to cope with the demands of a dynamic culinary environment. Each yarn is carefully engineered for comfort and strength, allowing you to concentrate on every culinary creation.

The real innovation lies in its water-repellent fabric. This advanced feature acts as a protective shield against moisture and seepage, allowing you to stay cool even in the most challenging situations. But that's not all: the fabric also boasts antibacterial and biocidal properties, creating an effective barrier against harmful viruses and bacteria. So you'll stay safe and protected while you concentrate on your culinary passion.

It is ideal for cooks and chefs in hospitality, catering and general cooking.
