Description

GASTROCHEF unisex long-sleeved jacket, with a funnel neck, central fastening with hidden press studs and a pocket on the left sleeve. Semi fitted model.

Made with the innovative T400 fiber, a marvel of textile technology. This elastic fiber ensures a stay-put fit and shape recovery in all directions, allowing you to move without restriction as you indulge in your culinary creations. T400 fiber provides exceptional comfort, outstanding wrinkle resistance and easy maintenance so you always look your best.

It presents a series of COOLMAX pique fabric panels strategically placed on the sides of the back. These technical panels work tirelessly to regulate body temperature and manage moisture, ensuring you stay cool and comfortable as you indulge in your culinary creations.

It is ideal for cooks and chefs in hotels, restaurants and cooking in general.

Also available in a men's model reference 930019
