Description

GASTROCHEF unisex jacket in short sleeves, with a mandarin collar, side zip closure and a pocket on the left sleeve. Semi fitted model.

Meticulously crafted from a structured twill made of 50% cotton (CO), 48% polyester (PES) and 2% elastane (EA). This unique combination of materials not only ensures an elegant appearance, but also the necessary resistance to face the rhythm of the professional kitchen. Structured twill offers a perfect fit and durability that moves with you.

It has COOLMAX pique fabric panels on the sides of the back. These technical panels work tirelessly to regulate body temperature and manage moisture, allowing you to feel cool and comfortable as you indulge in your culinary creations.

It is ideal for cooks and chefs in hotels, restaurants and cooking in general.
