Description

The Bielástica Ruiz Unisex Kitchen Jacket combines functionality, comfort and a modern design, ideal for chefs and catering professionals. Made of bi-elastic fabric (95% polyester, 5% elastane, 170 gr/m²), it offers excellent stretch in both directions, allowing unrestricted mobility and a comfortable fit throughout the day.

Its semi-fitted cut (H2) provides a streamlined look without compromising comfort. The concealed press stud fastening provides a sleek and discreet finish, while the AIR DRY side panels enhance breathability, keeping the skin cool and dry in demanding environments.

Turn-up cuffs and elbow seams optimise ergonomics and comfort, allowing for a more flexible fit. In addition, the back yoke and front and back seams ensure a better fit and freedom of movement.

Designed with long sleeves and a men's zip (front left over right), this jacket includes a pocket on the sleeve, perfect for storing small kitchen utensils or pens.

Available in an elegant charcoal grey tone, ideal for professional and sophisticated styling.
