Description

The Lorca Unisex Slim Fit Kitchen Jacket is the perfect combination of slim fit, functionality and comfort for chefs and hospitality professionals. Its Slim Fit design and semi-fitted cut (H2 SEMI-FIT) enhances the silhouette without compromising comfort, providing a modern and sophisticated image.

Made of bi-elastic fabric (95% polyester, 5% elastane, 165 gr/m²), it offers great elasticity and freedom of movement, as well as excellent resistance and breathability thanks to the sides with AIR DRY technology, which keeps the skin cool on demanding days.

The concealed press stud fastening provides a clean and stylish finish, while the chest pocket with concealed flap and button adds a practical and professional touch. There is also a sleeve pocket and a special pen compartment in the placket.

For added versatility, the sleeve is roll-up, allowing it to adapt to different needs and preferences. The yoke at the back and front, together with the back yoke seams, improve fit and mobility, providing greater comfort in the kitchen.

Available in a stylish pearl grey colour, this jacket is the ideal choice for those looking for a professional, stylish and high performance garment.
