Description

The Molina Unisex Stain Resistant Kitchen Jacket is the perfect garment for kitchen professionals looking for comfort, functionality and stain resistant protection. This unisex design jacket combines style and stain-resistant technology to offer a durable and hardwearing option.

With a mao collar and a left over right front fastening with 6 press studs, 4 of which are concealed and the first and last visible, this jacket easily adapts to the pace of work without sacrificing elegance. The Air Dry piqué back panel with centre back panel enhances breathability, while the two pockets, one on the left sleeve and one on the left chest, provide the necessary space for your work tools.

Made of SARGA TEFLON 65% PES 35% CO (195 gr/m²), a high-quality material with stain-resistant properties that ensure durability and easy cleaning. It is available in white and has an approximate length of 77.5 cm.

* Unisex design, with a practical and professional style.
* Teflon stain-resistant fabric for easy cleaning and to protect the garment from common kitchen stains.
