Description

Let your style speak for you in the kitchen with the Vazquez Unisex Printed Kitchen Jacket, a professional garment with a modern design, eco-friendly fabric and functional details designed for the pace of work in the hotel and catering industry.

Made from 100% organic cotton (168 g/m²), this jacket not only guarantees softness and breathability, but also makes for more sustainable workwear. Its 75 cm semi-fitted pattern (H2) offers a flattering silhouette and freedom of movement for long days in total comfort.

The AIR DRY system on the back improves natural body ventilation, ideal for hot environments such as professional kitchens. Concealed press studs and turn-up cuffs with belt loops reinforce the clean, functional style, while the pocket on the left sleeve adds practicality without compromising on elegance.
