Description

The Men's BASTOS Jacket is designed to offer a perfect combination of functionality, thermal comfort and professional design, ideal for chefs working in demanding environments. It is structured to suit the pace of daily work without compromising on style and comfort.

Made in stretch twill (48% polyester, 48% lyocell, 4% elastane - 185 gr/m²), it provides strength, softness to the touch and freedom of movement. Its semi-fitted design (H2) slims the figure without restricting mobility.

AIR DRY technology on the back improves ventilation and keeps you cool all day long. The padded shoulders with wadding provide extra structure and comfort. Long sleeves with elbow seam and turn-up cuffs, as well as a 10 cm side slit for mobility and comfort when sitting or bending.

Includes modern mao collar and functional sleeve pocket for small items or kitchen tools. Available in the classic colours black and white, easily matched to any professional uniform.
