Description

The SOLA Women's Kitchen Jacket combines style, functionality and high quality fabric, designed for professional women who value design without sacrificing performance. With a semi-fitted cut (M2) that enhances the silhouette and guarantees freedom of movement, this garment is ideal to comfortably face the most intense days in the kitchen.

It is made of cotton sateen (62% cotton, 35% polyester, 3% elastane - 180 gr/m²), a fabric that is soft to the touch, resistant and highly breathable. It also has side panels with AIR DRY technology, which provide freshness in areas of high perspiration.

Its design includes professional details such as mao collar, epaulettes on the shoulders and roll-up sleeves, allowing the garment to adapt to the pace of work. The concealed press stud fastening provides a clean, modern aesthetic, while functional chest and sleeve pockets offer practicality without sacrificing design.

Available in black and white, two essential colours that reflect professionalism and elegance.
