Description

The ESTRADA Women's Jacket is the perfect choice for chefs and kitchen professionals looking for comfort, breathability and a flattering feminine design. Made from high quality materials and designed to perform at its best in demanding professional environments, it combines functionality and elegance with a modern fit.

Made of stretch twill (48% polyester, 48% lyocell, 4% elastane - 185 gr/m²), it offers excellent resistance to wear, elasticity for ease of movement and a soft texture that provides extra comfort throughout the day.

Its semi-fitted design (M2) adapts to the female silhouette without sacrificing freedom of movement. AIR DRY is incorporated in the back for optimal ventilation, along with wadding on the shoulders, which improves the fit and provides an extra feeling of comfort.

Technical details include back seams, front darts, elbow seams and turned-up cuffs, which enhance the ergonomics of the garment. The 10 cm side slits improve mobility, ideal for dynamic days in the kitchen. It also features a modern mao collar and functional sleeve pocket.
