Description

Its loose-fitting design and back seams allow for a comfortable fit and facilitate freedom of movement, which is especially important in an active kitchen environment.

The jacket is made from durable white twill, known for its durability and ease of care.

For a touch of style and functionality, the jacket features black detailing, including piping on the collar, pocket, front, cuffs and buttons. In addition, it features AEROSILVER in the armhole area to maintain a cool feel and moisture management.

The jacket is supplied with the necessary dummy buttons, which means that wearers can wear it immediately without having to search for additional accessories.

The NAPOLES unisex kitchen jacket is a versatile and functional choice for hospitality professionals who want a high-quality garment that meets the demands of kitchen work. Its unisex design, along with the dummy buttons, adds a touch of style and professionalism, while the chest pocket and durable twill construction make this jacket a practical and durable choice for the kitchen environment. Black and AEROSILVER detailing on the armholes add comfort and coolness for long working days - don't wait any longer to dress in style and comfort in the kitchen!
