Description

The jacket is designed to fit any gender and comes in long sleeves, providing versatility and adequate coverage throughout the seasons.

The garment closes securely and elegantly with dummy buttons to match the jacket. This design not only makes it easy to put on and take off, but also adds a touch of professional style.

The jacket is equipped with pockets on the chest and left sleeve, providing additional storage space for essential kitchen utensils or work tools.

Its loose-fitting design and back seams ensure a comfortable fit and allow ample freedom of movement, which is essential in an active kitchen environment.

The jacket is made from durable twill in a variety of colours, which not only adds style, but also ensures durability and ease of care.

The jacket is supplied with matching dummy buttons, allowing users to wear it immediately without having to search for additional accessories.

The TERAMO unisex kitchen jacket is a versatile and functional garment that meets the needs of hospitality professionals looking for quality and style in their workwear. Its unisex design and tone-on-tone button fastenings add a touch of elegance to kitchen attire. In addition, chest and sleeve pockets provide a practical solution for carrying essential tools.
