Description

This jacket is suitable for both men and women and comes in long sleeves, making it versatile for year-round wear.

This stain resistant jacket closes securely and smartly with dummy buttons that add a touch of style and professionalism.

The garment features a pocket on the left chest, which provides additional space for carrying kitchen utensils or essential work tools.

The loose-fitting design and back seams ensure a comfortable fit and allow ample freedom of movement, which is essential in the dynamic and active professional kitchen.

The jacket is made from durable white twill, giving it a classic and professional look.

This jacket has been treated with Teflon to resist stains and spills. The stain-resistant treatment is effective for up to 30 washes, ensuring the jacket maintains its flawless appearance even in demanding kitchen environments.

The armhole area features AEROSILVER, a material that fights bacteria and provides antimicrobial protection, ensuring a hygienic and fresh working environment.

The NAPOLES unisex kitchen jacket combines the best of classic fashion with modern technology to maintain its appearance and performance in the kitchen.
