Description

GASTROCHEF women's long-sleeved jacket with crossover mao collar, concealed press stud fastening and pockets on chest and left sleeve. Semi-fitted model.

Made from 100% Egyptian cotton, a choice that evokes quality, luxury and authenticity. Each cotton fibre is interwoven to create a soft, strong and durable fabric, reflecting your dedication to each culinary creation. Hand picking Egyptian cotton reduces pressure on the fibres, resulting in a softer, easier care fabric, with the added benefit of easy ironing.

The COOLMAX pique back is a highlight of the Galatea Jacket. This technical fabric works tirelessly to regulate body temperature and manage moisture, allowing you to stay cool and comfortable as you indulge in your culinary creations.

It is ideal for cooks and chefs in hospitality, catering and general cooking.

Also available in men's model reference 932000.
