Description

GASTROCHEF men's jacket, long sleeves, mao collar, central fastening with concealed press studs and one pocket on the left sleeve. Semi-fitted model.

Made from an exceptional blend of fabrics: 65% polyester and 35% cotton. This combination ensures the durability and strength needed to withstand the demands of the professional kitchen. The twill provides a distinctive texture that adds a touch of elegance to your presentation without compromising comfort or performance.

The COOLMAX piqué sides are a key feature of this jacket. This technical fabric works tirelessly to regulate body temperature and manage moisture, allowing you to stay cool and dry as you bring your culinary creations to life.

Ideal for waiters, cooks and chefs in hospitality, catering and general cooking.

Also available in women's model reference 935500.
