Description

This jacket is suitable for both men and women and comes in long sleeves, making it versatile and suitable for year-round wear.

The jacket closes diagonally with concealed press studs, giving it a clean and sophisticated look. The first button is visible, adding a distinctive touch to the design.

This jacket features a pocket on the left sleeve, which provides additional storage space for small items or kitchen utensils.

The design includes three faux wallet pockets on the front, adding style and distinction to the garment.

The jacket has a semi-fitted cut for a professional and comfortable look.

The jacket is made from white twill, with black leatherette detailing on the collar, collar, cuffs, sleeves and back. This combination of materials gives it a modern and durable look.

The GIL men's kitchen jacket is a versatile and elegant garment that combines style with functionality - don't wait any longer to invest in a jacket that will help you stand out in the work environment and stay comfortable during long days in the kitchen!
