Description

Designed to fit both men and women, this jacket comes in long sleeves, making it suitable for a variety of seasons and climates.

This jacket is designed without pockets, making it perfect for cooks and chefs who need a clean, professional look without compromising on comfort.

Turn-up cuffs add a touch of style and allow for a comfortable fit at the wrists.

The velcro cross over fastening not only adds an element of style, but also makes the process of putting on and taking off the jacket quick and easy.

The loose fit ensures a professional and comfortable appearance, allowing unrestricted mobility during everyday kitchen tasks.

This jacket is made of white twill, a durable and easy-care fabric.

The men's kitchen jacket is a versatile choice for those working in hospitality, restaurants, bars and other food and beverage businesses. Its carefully crafted design combines style and functionality, allowing you to stand out in your work environment.
