Description

Designed specifically for women, this jacket features a sleek, feminine cut that enhances the figure while remaining comfortable all day long.

The long sleeves with turn-up cuffs add a touch of style while providing a comfortable fit at the wrists.

The pocket on the left sleeve is a functional feature that allows you to carry small kitchen utensils or take order notes with ease.

The central concealed press stud fastening with the first button visible is practical and gives the jacket an elegant touch.

The semi-fitted cut and the back seams, as well as the darts on the chest, offer a professional look and allow for unrestricted mobility.

Made from durable, easy-care twill, this jacket is available in black and white to suit individual preference.

It incorporates Aerosilver technical fabric on the sides, which provides antibacterial and antimicrobial properties, maintaining freshness and hygiene in the working environment.

The VARELA women's kitchen jacket is an exceptional choice for hospitality professionals, waitresses, cooks and chefs who want to stand out in their working environment. In addition, it is also available in a men's model, making it perfect for a fully uniformed work team.
