Description

The OTERO men's kitchen jacket combines a stylish design with functional features. It is perfect for professionals looking for a fashionable uniform.

The long sleeves with turn-up cuffs not only add style, but also allow for a custom fit at the wrists.

The crossover fastening with concealed press studs adds sophistication to the jacket's design, while making it easy to get ready for work.

The jacket is made from Klopmam Naturewear fabric, which is a combination of 50% recycled polyester and 50% organic cotton. This fabric is environmentally friendly and is part of Gary's Uniform's Naturewear range.

The back of the jacket features AEROSILVER technical fabric, which offers breathability and helps maintain a fresh, bacteria-free working environment, especially important in the kitchen.

The sand or pearl grey colour combination on the collar and piping adds a touch of elegance to the jacket's design.

The use of recycled polyester and organic cotton in the construction reflects a commitment to environmental sustainability. This choice of materials contributes to the reduction of environmental impact.

The OTERO men's kitchen jacket is a high quality garment that meets the needs of those working in the hotel and catering industry. Also available in women's model reference 942900.
