Description

The MARIN unisex kitchen jacket features a stylish and professional design with long sleeves and turned-up cuffs. Its neat, modern look ensures that catering staff look impeccable and representative.

The central concealed press stud fastening, with the first button visible, facilitates the dressing and undressing process, which is essential in a busy working environment such as hospitality.

Made from black or white twill, this jacket is made from high quality materials to ensure durability and resistance to everyday wear and tear.

The incorporation of AEROSILVER technical fabric on the sides of the jacket enhances the wearer's comfort and freshness by being highly breathable and resistant to bacteria.

The versatility of this unisex jacket is ideal for restaurants, bars and hotels that want cohesive uniforms that fit a variety of sizes and body shapes.

To meet the needs of the entire hospitality team, this jacket is also available in a version specifically for women (reference: 942100).

The MARIN kitchen jacket is the perfect choice for owners of restaurants, hotels, bars and other hospitality establishments who want their staff to look professional and neat.
