141

Reference: 946300-141 · CREMA

Description

The EGEA unisex kitchen jacket features a unisex design that suits both men and women, ensuring stylish uniformity in your work outfit. Its semi-fitted style and brown detailing in combination with the cream colour give it a touch of distinction.

This jacket is made from cream twill, a fabric that is known for its durability, ensuring that the garment will stand up to the demands and wear and tear of the kitchen. In addition, it features AEROSILVER technical fabric on the sides, providing antibacterial properties that are essential for maintaining a hygienic kitchen environment.

The jacket has a pocket on the left chest so that your staff can carry small utensils or take notes quickly. The cross over fastening with concealed press studs makes it easy to put on and take off the jacket, saving time in the daily routine.

The EGEA unisex kitchen jacket is ideal for uniforms for cooks, chefs and pastry staff in restaurants, catering and food service establishments. It is also an excellent choice for the trade, where comfort and style combine perfectly.

Available sizes

XS XL XXL YL

Size guide
