Description

The unisex MILITARY jacket features an attractive military design, with a touch of originality. The camouflage print on the collar and cuffs adds an element of style and distinction to your uniform.

Made from 100% Polyester MICROFIBRE, this jacket is a perfect combination of durability and functionality. The fabric is highly breathable, allowing your staff to work comfortably in any kitchen environment.

The turn-up cuffs and cross over fastening with concealed press studs allow for ease of use and a snug fit. MICROFIBRA is resistant to bleach splashes, washable at high temperatures and dries quickly.

The jacket features AEROSILVER technical fabric printed with a skull on the back, which provides antibacterial properties to maintain a hygienic working environment.

The unisex MILITAR jacket is ideal for uniforms for your team in restaurants, bars, hotels and any hospitality environment. It offers a unique combination of style and functionality.

In addition to the jacket, you can also purchase a matching cap and trousers for a complete and distinctive uniform.

Distinguish your team and make a style statement in your hospitality business with the unisex MILITAR kitchen jacket.
