Description

The KITCHEN unisex kitchen jacket features a long sleeve design, mao collar and turned-up cuffs, bringing a touch of elegance and sophistication to those who wear it. Its timeless style makes it suitable for professionals of all ages and genders.

The jacket is tailored in a semi-fitted cut that provides comfort and mobility while maintaining a professional appearance. The back seam detailing offers a flattering fit.

The KITCHEN unisex kitchen jacket is made of microfibre in black, a 100% polyester material that is not only stylish but also highly functional. This fabric is antibacterial, highly breathable and resists bleach splashes, making it easy to maintain. It dries quickly, needs no ironing and is hair and pet hair repellent.

The jacket includes a pocket on the left sleeve, providing storage space for small utensils or essential kitchen work tools. The central concealed press stud fastening not only adds a touch of style, but also makes it easy to wear in a busy kitchen environment.

What makes the unisex KITCHEN kitchen jacket even more attractive are the special details, such as the AEROSILVER technical fabric on the back, which ensures greater breathability and comfort.

The KITCHEN kitchen jacket is the perfect combination of style and performance.

Available sizes

XS YL

Size guide

Measurements may vary slightly due to the production process. The garment is measured flat.

MEASURE (cm)	XSS	XS	S	M	L	XL	XXL	YL
