Description

The CRESPO men's long-sleeved kitchen jacket with turn-up cuffs has a classic, timeless design that is perfectly suited to any professional environment. Its crossover fastening with concealed press studs adds a touch of sophistication.

The garment is designed in a semi-fitted cut that combines comfort and style. The front and back seams provide a flattering fit.

The CRESPO men's kitchen jacket is made of elastik microfibre (155gr/m²), a high quality fabric composed of 99% polyester and 1% elastane for maximum comfort and freedom of movement.

This jacket features AEROSILVER technical fabric on the sides, ensuring greater breathability and comfort in demanding work environments.

The CRESPO men's kitchen jacket is available in black or white, allowing you to choose the one that best suits your business aesthetics or personal preferences.

This jacket is the perfect choice for waiters, cooks and chefs working in the hotel, catering and kitchen industry.

The CRESPO kitchen jacket combines style and performance in one garment. Whether you're working in the kitchen or serving in your restaurant, this jacket will help you stand out while keeping you comfortable and presentable.

Available in a women's model with reference 942800.
