Description

The long-sleeved jacket features a design that combines elegance and functionality. With turn-up cuffs, central fastening with concealed press studs and a pocket on the left sleeve, it offers the perfect balance between sophistication and practicality.

The CLEAVER unisex kitchen jacket features a semi-fitted cut that provides comfort without sacrificing style. The back seam detailing contributes to a flattering fit.

Made of 100% polyester microfibre, this jacket is antibacterial and highly breathable. It is also resistant to bleach splashes, making it easy to clean and maintain. It dries quickly and needs no ironing, which makes it even more practical in the busy kitchen environment. It also repels hair and pet hair, keeping it looking neat and tidy.

The back of the jacket features AEROSILVER technical fabric, which improves breathability and comfort, essential in the hospitality work environment.

The CLEAVER unisex kitchen jacket stands out for its original and bold print on the collar, sleeves and back. This adds a unique touch of style that allows you to look stylish and fashionable in the kitchen environment.

The CLEAVER kitchen jacket is the perfect choice for those looking for a uniform that sets them apart in terms of style and comfort in the catering industry.
