Description

This waistcoat is made from a premium fabric consisting of 97% cotton and 3% elastane. This combination of materials provides comfort and durability, ensuring that the garment will stand up to the demands of everyday work.

The waistcoat features a crossover design for a smart, professional look. The lapel adds a touch of classic style, making it a sophisticated choice for men who want to stand out in their work environment.

The garment is lined on the inside, which increases comfort when worn and contributes to a quality feel.

The waistcoat is designed with attention to detail, including a left-over-right front fastening, inside load stitching on the armholes and front, and charcoal grey buttonholes. These details not only add a touch of elegance, but also ensure the garment's durability.

The waistcoat has three front pouch pockets, allowing convenient access to small items or work tools. In addition, there is a pocket on the inside left that adds functionality to the garment.
