Description

This gilet is made from a premium fabric consisting of 54% polyester, 44% wool and 2% elastane. E

The waistcoat has a close-fitting design in the middle for a smart and professional look. This style is ideal for men who want to stand out in their work environment and maintain a sophisticated look.

The garment is lined on the inside, which increases the comfort of wear and contributes to a quality feel.

The waistcoat is designed with attention to detail, including a left-over-right front fastening and inside-loaded stitching on the armholes, neckline and edges. These details not only add a touch of elegance, but also ensure the durability of the garment.

At the back, the waistcoat features buckle straps inserted into clips, allowing for a comfortable, personalised fit, as well as a modern and functional touch.

The waistcoat has two front welt pockets, allowing convenient access to small items or work tools. In addition, there is a pocket on the inside left hand side which adds to the functionality of the garment.

It is available in three colours: Welsh brown, Welsh navy and Welsh grey, allowing professionals to choose the shade that best suits their style and work environment.
