Description

This waistcoat is made from a premium fabric containing 54% polyester, 44% wool and 2% elastane. This combination of materials ensures comfort and durability, allowing the garment to withstand daily use in demanding professional environments.

The closed design in the centre of the waistcoat gives it a sophisticated and professional look. Women looking to stand out in their work environment and maintain an elegant look will appreciate this style.

The waistcoat has a lining on the inside that provides additional comfort when worn, as well as giving a quality feel.

The garment features finishing details that include a right over left front fastening and inside load stitching on the armholes, neckline and edges. These details add elegance to the garment and ensure durability.

At the back, the waistcoat has buckle straps inserted into clips, allowing for a customised and comfortable fit, as well as giving it a modern and functional touch.

The waistcoat has two front welt pockets that provide convenient access for storing small items or work tools. In addition, there is a pocket on the inside left side that adds functionality to the garment.

It is available in three attractive colours: Welsh brown, Welsh navy and Welsh grey, allowing professional women to choose the shade that best suits their style and work environment.
