Description

The jacket features a Mao collar, which adds a touch of sophistication to the attire of hospitality staff. Presentation is key in this industry, and this jacket more than delivers on that front.

Equipped with a left chest pocket and two side pockets, this jacket provides storage space for small essentials, making it ideal for keeping what you need close at hand during service.

The central fastening with concealed press studs offers a clean, polished look. This is essential for hospitality staff who need to maintain a professional and well organised look.

The semi-fitted design with front and back seams enhances the figure without sacrificing comfort. Long working days in the hospitality industry require garments that allow for ease of movement.

Made from 100% polyester SARGA in stylish black and charcoal grey, this jacket is wear-resistant and designed to withstand the daily demands of the hospitality industry.

The AGAR jacket is the ideal garment for women working in hospitality. Its combination of style and functionality ensures a professional appearance without sacrificing comfort.

Also available in men's model reference 963600.
