Description

Support and comfort for long hours wearing Skechers Work: Arch Fit® SR - The Axtell . This la&6R×W work shoe offers slip resistance and a patented and removable Arch Fit® cushioning insole system.

• Work footwear.
• Sneaker with laces.
• Durable mesh fabric upper.
• Padded collar and tongue.
• Side S logo.
• Non-slip sole level "SR" tested on tile and steel.
• Resistant to hydrocarbons.
• ESD safety design dissipates static electricity for use in electrically sensitive workplaces.
• Template designed in collaboration with podiatrists.
• The template was developed with over 20 years of data and 120,000 foot scans.
• Insole designed to mold to your foot, reduce impact and increase weight dispersion.
• Hand washed.
